

OUR LADY OF THE LAKE SCHOOL  
VERONA, NJ 07044

MEDICAL DEPARTMENT  
973-239-1171

Dear Parents or Guardian:

Now that school is about to begin again, there are a few important matters I would like to bring to your attention.

EMERGENCY CARDS The online emergency form is a vital health tool benefiting your child. It delivers at a glance the necessary information so important during an emergency situation. This form must be brought in by your child on the first day of school and given to the homeroom teacher. Failure to bring in the completed form will result in your child not returning to school until the form is completed and returned.

The Emergency contact should be people who are available to care for your child in the event that school is closed early for a severe storm or other emergency. They should be able to provide transportation.

PHYSICAL EXAMINATIONS are required for NEW students Gr. 1-8 and all Kindergarten students. Physicals are recommended for 4<sup>th</sup> and 8<sup>th</sup> grade students. Annual Athletic Pre-Participation Physical Examinations are required for students participating in sports in 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grades. Immunization records are required for Pre-3, Pre-4, Kindergarten and 6<sup>th</sup> grade students and NEW students. **Please see Chart on previous screen.**

VISION & HEARING Tests for adequate vision and hearing are also done yearly and parents are notified of any possible defects found.

Your child's health is of vital importance. Together we can help to preserve it.

Sincerely,

Mrs. Renee Regan, R.N.  
School Nurse
