Dear Faculty, Staff and Parents of Our Lady of the Lake,

As per the Federal Asbestos Hazard Emergency Response Act (AHERA) an inspection for the presence of asbestos containing materials (ACM) has been completed and an Asbestos management plan (AMP) has been developed for Our Lady of the Lake School located at Lakeside & Montrose Avenues, Verona, NJ. The inspection report and management plan are available for view between the hours of 9:00 a.m. and 11:00 a.m. any school day upon five working days notice by contacting: Sr. Mary Agnes Sullivan, Principal, at (973)-239-1160.

Sincerely yours,

Sr. Mary Agnes Sullivan, OP
Principal
