

## Our Lady of the Lake School

### DRESS CODE

As part of the value education in the Catholic school and because of its distinctive nature, attention should be given to proper dress and attire. Student attire requires that students be in full uniforms at all times. The purpose of our uniform code is to minimize the emphasis of fashion trends and unnecessary competition during the school day. While we expect our students to dress with dignity and pride, we do not want this to become a focal point of their day.
