PERMANENT GENERAL PERMISSION SLIP

Dear Parent,

I would like to have a "General Permission Slip" which would allow your child to participate in classes in Verona Park, as well as any Field Trip within walking distance of the school. This would eliminate having you sign a permission note throughout the remainder of the years your child attends Our Lady of the Lake School for these activities.

Therefore, please sign and return the bottom of this letter as soon as possible. Many thanks.

Sincerely,

Sr. Mary Agnes Sullivan, O.P.
School Principal
