Dear Parents,

I personally wish to welcome you and your child to Our Lady of the Lake kindergarten. The first year in school is the beginning of a great adventure for children and is the basis for later achievement in school.

The kindergarten program is designed to help stimulate a good self-concept, providing each child with many experiences of achievement. Kindergarten children will work and create independently and learn to cooperate with others in a group. The program will provide opportunities for social and emotional development, inspire language development, expand physical and mental growth, and prepare them for grade one.

This booklet has been prepared to assist you in helping your child make the happiest and the best possible adjustment to kindergarten and the many new experiences it presents. It is hoped that the information in this booklet will enable the home and school to become joint partners in helping each child reach his/her maximum potential.

I look forward to working with you and your child. Thank you for trusting them to our care.

Blessings,

Mr. Benjamin Ronquillo
Principal, Our Lady of the Lake School

CURRICULUM
The curriculum includes Religion, Language Arts, Math, Science and Social Studies.
The children also have weekly classes in Art, Music, Physical Education, Library and Spanish.

ATTENDANCE
SCHOOL BEGINS AT 8:10 A.M. AND ENDS AT 2:45 P.M. For the first couple of days, in the beginning of the school year, the children line up in the playground behind the Montrose building. Children should be accompanied to the entrance of the playground which is located adjacent to the parking lot of the church.
After the first week of school, parents may park and accompany their children to the main entrance of the school where they will be met by a teacher. Parents should not enter the building.
As the children became more accustomed to school they may be dropped off at the designated area which is by the cones along the side of the building.
They should be prepared to exit the car and walk to the main entrance. Children arriving before 8 a.m. are to report to the cafeteria where they will be accompanied to the classrooms.
The presence of many cars entering the parking lot makes it necessary for parents to be concerned about safety. Parents are requested to drive very slowly and cautiously through the parking lot which is behind the church. Parents should not park in the faculty parking lot, which is the lot nearer to Bloomfield Ave.

**AFTER CARE PROGRAM**
This program is held daily from 2:45 – 6:00 p.m. in the gym, playground or auditorium. There are daily rates. There is no after care on some half days.

**ABSENCE**
The school office is to be notified by telephone (973-239-1160) by 8:00 a.m. if a child will not be attending school.

Upon return, each child must present a note written to the homeroom teacher by the parent/guardian including the dates of and explaining the reason for the absence.

Absence of five consecutive days requires a doctor’s note. Should a child be reported absent and a call has not been received, the school secretary or other employee of the school will make every reasonable effort to reach parent/guardian by phone to verify the legitimacy of the absence. These procedures represent a mutual effort to account for the presence of the student during school hours.

**EXCESSIVE ABSENCE**
Should excessive absence result in poor academic performance, or is a manifestation of a lack of commitment to the education process, or demonstrates other difficulties, a decision may be made regarding promotion, withdrawal, etc. by the Administration.

**TARDINESS**
Students are expected to arrive on time for school. A student who arrives late is to report to the school office before going to class. He/she will receive a late slip, which is to be given to the kindergarten teacher. Repeated, habitual tardiness is inexcusable and must be discouraged. In addition, frequent tardiness will most likely affect a student's performance. If frequent tardiness should occur, the teacher and the principal will confer with the parents / guardians to discuss the situation.

Punctuality is important because many times children are upset when they are late and the morning routine has already begun.
COMMUNICATION
Notices from school are posted on the school Website [www.myoll.org](http://www.myoll.org) under the Navigation Bar “Electronic Mailing”. Please check this website frequently. Children must be fever free for 24 hours before returning to school.

Please consult your calendar for the dates of the meetings. These meetings are most important since they enable the parents, faculty, and administration to work together for the mutual benefit of the children and the school community.

BIRTHDAYS
Birthdays are celebrated with a snack free celebration and a dress down day. A parent or guardian may come and read a favorite story to the class. Consult with the teacher regarding the best time and date.

SHOW AND TELL
This activity will be scheduled at appropriate times by the kindergarten teacher. Toys are discouraged because they are often difficult to share. Children also become very upset when a favorite plaything is broken.

LUNCH PERIOD
A lunch menu will be available on line (www.myfooddays.com) every six weeks. A check payable to Our Lady of the Lake School Cafeteria is the safest means for the ordering of lunch. The homeroom teacher will hold onto the lunch requests and be sure the children receive lunch. A cart for extra snacks is available for purchase.
**LUNCH ROOM**
All food is to be placed on trays and never put directly on the table. Any food falling to the floor is to be picked up and discarded in the appropriate containers. Food purchased in the cafeteria should be finished and should not be wasted. Food brought from home, which is not eaten, should be taken home. Loud talking, yelling and running are not acceptable. Children must obey the directions of teachers and parents assigned to lunch duty.

**BUS TRANSPORTATION**
Some Boards of Education provide bus transportation or reimbursement for transportation, if a child resides more than two miles from the school. Transportation forms are available in the school office and must be completed by the parents in the spring, and returned to Our Lady of the Lake School Office. Students from West Orange that live more than two miles from the school are eligible to take the bus.

**AFTER SCHOOL VISIT**
If a child is to go home with another person, other than his parent or guardian, the teacher must be notified in writing concerning these arrangements via a note from parent sent in with child through the backpack.
